Overall Pricing Notes

1. Prices listed are guidelines only and do not represent an offer to sell. A specific proposal will be prepared for a customer upon receipt of information relative to the quantities, sizes and grades of materials needed. Pricing guidelines are subject to change at any time.
2. Prices assume standard Trestlewood products in size and other characteristics.
3. Trestlewood strongly recommends that you read and understand important Trestlewood documents including product specification sheets, "About Trestlewood" and "Product Liability and Return Policy".
4. All products are sold on an "as-is" basis, with no warranties express or implied, except for any limited protection provided by Trestlewood's current [Product Liability and Return Policy](#).
5. All items are subject to prior sale and are offered on an "as available" basis.
6. Unless noted otherwise, Trestlewood products are generally nominal in dimension and ungraded.
7. Prices are FOB shipping point (usually Promontory Point, UT or Blackfoot, ID.)
8. This list does not cover all Trestlewood products. Contact your Trestlewood representative for availability and pricing information about custom products and other products not included on this list.
